Dear Faithful of St. Michael the Archangel,

As you know from last week's announcement, Fr. Mahowald and myself have been in quarantine. Fr. Mahowald arrived here almost two weeks ago and soon began feeling somewhat ill. Out of caution for your health and our own, we decided it would be best for us to quarantine and isolate following CDC guidelines, given our previous travels across the country. Fr. Mahowald's condition has worsened and he is currently in the hospital for Covid-19 and is now on a ventilator. Please keep him in your most ardent prayers. I have known and worked with Fr. Mahowald for almost 4 years now in various apostolates, and have only know him to be a devoted priest concerned only with the salvation of souls. I am sure that he is offering up all of his sufferings for you, his dear faithful. Though most of you have never met him, I am sure he is very close to you now. Please be close to him in your prayers and sacrifices, and remember his family as well.

As for me, I never suffered from any symptoms and after several days of quarantine, I have tested negative for Covid-19. Thanks be to God! I will be covering the masses and day to day running of the parish for the time being. Please praise God, this will be a short change.

Your Servant in Christ,

Rev. Anthony Dorsa, FSSP
