Dear Faithful of St. Michael the Archangel,

I would like to thank all of you for your prayers and support in this difficult and tumultuous time for our parish. A small update of Fr. Mahowald is in order. His condition is still delicate. The doctors are working hard to lessen and eliminate his dependence on the ventilator and encourage his body to heal. The coming days, however, are quite crucial. Please continue to storm heaven on Father's behalf! Please pray for his doctors to be enlightened in their treatments. Pray that their guardian angels defend and enlighten them. It is important to remember that today is also the Feast of the Immaculate Heart of Mary. May Our Lady receive all of our prayers with her maternal solicitude and present them to her Son.

I also would like to thank all of you for your patience with me as I discover the many ins and outs of keeping the parish's needs.

Your Servant in Christ,

Rev. Anthony Dorsa, FSSP

Announcements:

-Please note that the phone number listed for the parish is a google number that is currently not set up to reach me. I am working on correcting this, but in the meantime I can be reached most easily by email at adorsa@olgseminary.org.

- It has come to my attention that there may be some illnesses going around the parish. As a reminder in all charity for the health of your priests and fellow parishioners, please stay home if you are experiencing symptoms of an illness or know that you have been exposed to someone who is ill.
